Certificate for Successful Participation of 'Entrepreneurial Case Study Workshop'

We hereby certify, that **Victoire Sawadogo** has successfully completed the Entrepreneurial Case Study Workshop, led by Gregor Franz and Frederik Müller, consultants at Stern & Stewart Co. GmbH, a leading strategy boutique consultancy based in Munich, Germany.

The workshop took one week, was conducted in English and provided an in-depth understanding of entrepreneurial approaches and critical business concepts. The course was structured as follows:

Workshop Structure

- **Days 1-2:** Extensive business theory and management frameworks, reinforced with practical examples ("case study approach")
- **Days 3-4:** Application of the learned theory and frameworks, by solving a real-world complex business case requiring in-depth analyses

Topics Covered

Entrepreneurship/Entrepreneurial Mindset

- Importance of entrepreneurship
- Problem-solving techniques

Business Frameworks

- SWOT analysis, Ansoff matrix, Porter's Five Forces, Break-even analysis, Market sizing

Basic Accounting

- Cost differentiation and profitability analysis
- Overview on all three financial statements: Income statement, Balance sheet, Cash flow

Practical Application: Developing and Presenting a Business Idea

Students engaged in a business case presentation focusing on finding a solution to real-world problems in Burkina Faso. The presentation involved:

- Assessing and understanding root-causes of the problem and developing a suitable business idea
- Analyzing revenue & cost implications as well as creating strategies to expand business operations
- Presenting ideas with quantitative support for impact and feasibility

Outcome

The student demonstrated proficiency in leveraging theoretical knowledge in real-world applications, providing actionable insights and strategic recommendations. Their final presentation highlighted their analytical skills, supported by quantitative evidence, showcasing an understanding of the entrepreneurial mindset.
